

Nimbus Cloud Solutions

Employee Handbook & IT Policy Guide — FY2026 Edition

1. Company Overview

Nimbus Cloud Solutions is a mid-sized enterprise SaaS company headquartered in Bengaluru, India, with satellite offices in Pune and Hyderabad. Founded in 2014, the company employs 1,240 people across Engineering, Sales, Customer Success, and Operations. Nimbus provides cloud infrastructure monitoring tools to over 3,200 enterprise clients worldwide.

2. Leave Policy

All full-time employees are entitled to 18 days of paid annual leave per calendar year, accrued at 1.5 days per month. In addition, employees receive 10 paid sick days and 12 company-designated public holidays. Unused annual leave of up to 5 days may be carried forward to the next calendar year; any leave beyond that is forfeited. New employees become eligible to take leave after completing 90 days of employment.

Maternity leave is provided for 26 weeks in accordance with the Maternity Benefit Act, and paternity leave is provided for 15 calendar days, to be availed within 6 months of the child's birth.

3. Remote Work Policy

Nimbus operates on a hybrid work model. Employees are required to work from office on Tuesdays and Thursdays, with the remaining three days available for remote work. Fully remote arrangements may be approved by a Department Head for roles that do not require in-person collaboration, subject to annual review. Employees working remotely must remain reachable during core hours of 10:00 AM to 4:00 PM IST.

4. IT Security Policy

All company laptops are replaced on a 3-year refresh cycle. Employees must enable full-disk encryption and multi-factor authentication (MFA) on all devices used to access company systems. Passwords must be at least 14 characters long and rotated every 180 days. Any suspected security incident must be reported to the IT Security team within 4 hours of discovery via the #security-incidents Slack channel or security@nimbuscloud.example.

Use of personal USB storage devices on company laptops is prohibited. VPN access is mandatory when connecting to internal systems from any network other than the office Wi-Fi.

5. Expense Reimbursement

Employees must submit expense reports within 30 days of incurring the expense, using the Nimbus Expense Portal. Reports submitted after 30 days require Finance Director approval. The following table summarizes reimbursement limits by category:

Category	Limit	Approval Required Above
Domestic travel (per trip)	■25,000	■25,000
International travel (per trip)	■1,50,000	■1,50,000
Client meals (per person)	■2,000	■2,000
Home office equipment (annual)	■15,000	■15,000
Professional development / courses (annual)	■40,000	■40,000

6. Performance Review Cycle

Nimbus conducts performance reviews twice a year, in April and October. Reviews are based on a 5-point rating scale and incorporate feedback from managers, peers, and direct reports (360-degree review). Salary revisions, when applicable, are processed within 45 days of the October review cycle. Employees rated below 2.5 are placed on a 90-day Performance Improvement Plan (PIP) with bi-weekly check-ins.

7. Reporting Structure

The Engineering organization is led by the VP of Engineering, who reports directly to the CTO. Below the VP, there are four Engineering Directors, each overseeing 3-4 team leads. The Data & Analytics team, which includes Data Analysts and Data Scientists, sits under the Director of Data Platforms and currently has 22 members.

8. Client Support SLAs

Nimbus commits to a 99.9% uptime SLA for all Enterprise-tier clients. Critical (Severity 1) incidents must receive an initial response within 15 minutes and a resolution or workaround within 4 hours. Severity 2 incidents must be acknowledged within 1 hour and resolved within 24 hours. SLA breaches trigger an automatic service credit of 5% of the monthly subscription fee per breach, capped at 25% in a single billing cycle.
